Board Nominations, Memberships and Uber/Lyft

In 2021 changes made by Texas Health and Human Services within the broker have potentially impacted public transit agencies statewide. There is an increasing number of trips that are provided through Medicare/Medicaid providers. These changes to the Medicare/Medicaid policy might have adverse effects. Riders have been looking into Transportation Network Companies (TNC's) like Uber and Lyft to provide non-emergency medical trips. ACT would like to know if your agency has been affected by these changes! Please fill out this [survey](#) by **November 13th**. We will publish the results on our next ACT Newsletter!

On September 19th we had sent out a newsletter in regards to Membership Renewals and Board Nominations. This is just a reminder to please renew your membership or join ACT by filling out this application. Dues are only \$1,000.00 per year and for that you get full representation in our legislative agenda, full access to The Stage as well as Legislative Bulletins concerning matters in Austin and at the Federal level.

ACT is also actively accepting nominations for Regional Vice Presidents for the Central, North and South regions. Please send your nominations (page below) to Jo Marlow, act@btd.org. **All nominations must be submitted by October 28, 2022.** Once nominations have been submitted, ACT will send out the ballot and each voting member will vote for their designated representative within their region.
